

### Tin Pan Darlings - Short Biography

Tin Pan Darlings first came on the music scene in 2018 with their East Coast Music Association & Music Nova Scotia nominated album *INSIDE A MELODY*, performed alongside their original silent movie. They focus on quirky, story telling music to swing their way into the hearts of music lovers everywhere. The core members of the group are sister duo Amy Anderson (piano), and Tracy Anderson (voice), always working with a strong East Coast rhythm section to keep the band cooking! If you enjoy musical throwbacks to a bygone era, Tin Pan Darlings is the group for you. For more information, find them on social media everywhere or check out their official website: [www.tinpandarlings.com](http://www.tinpandarlings.com)
